Oskar is a traveller visiting Wellington. Normally he works at the Global Seed Vault in Longyearbyen, Norway.

Can you help Oskar complete this activity sheet, so he can send his mother (mor) a letter to show her the plants of the Botanic Garden ki Paekākā?

Please don't pick the flowers. Take only pictures.

Kids Garden Trail map

Help Oskar in a self-led journey of the Botanic Garden

- 1 Rimu
- 2 Pōhutukawa
- 3 Kōwhai
- 4 Wind grass
- 5 Gaura
- 6 Gousblom
- 7 Pyrrosia
- 8 Makomako
- 9 Bamboo

Rimu

1

Can you help Oskar label the parts of the seed?

Pōhutukawa

2

What did Oskar discover at the pōhutukawa?

Can you draw lines to connect the idea with the name?

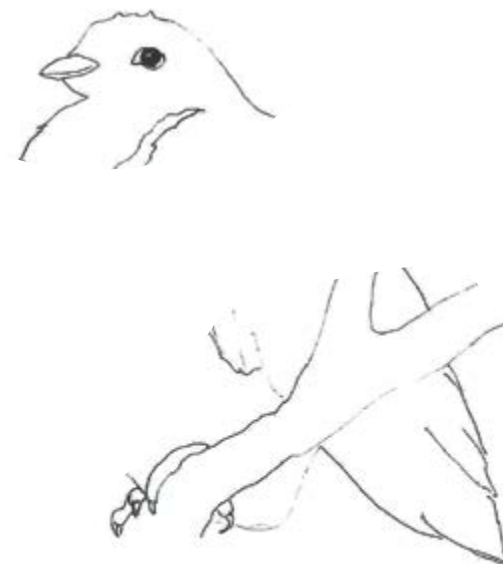

Kōwhai

3

Oskar found a kererū that he thinks dropped the kōwhai seed on the fountain.

Can you help him finish the drawing?

Wind grass 4

Can you help Oskar find the missing words?

Plants use a process called _____ to change air and water into _____ and plant _____.

Gaura 5

Can you help Oskar draw the big **gaura** plant?

Gousblom 6

Make a rubbing image of the gousblom

Place your paper over the ridged flower and rub with the side of your pencil to make an image.
