(Owner)

Solid fuel heating appliance:

(Make and model)

I confirm that I have undertaken the installation of the solid fuel heating appliance described in the above-mentioned building consent in accordance with the relevant standards, manufacturer specifications, consented plans and complies with the requirements of the New Zealand Building Code.

I understand that Wellington City Council will use this producer statement in order to assist in establishing reasonable grounds with the requirements of the Building Act 2004, Building Code and the consented plans and will use this statement in order to issue the code compliance certificate for this application.

A producer statement construction is defined as any statement supplied by or on behalf of a person who has been granted a building consent that certain work has been carried out in accordance with certain technical specifications.
