Dear Angela

**Re: Resource Consent Application - MFC Development Limited Partnership - Proposed Central Area Development - MFC Carpark - 110 Jervois Quay**

On behalf of our client, MFC Development Limited Partnership, I enclose a resource consent application (loaded onto the memory stick) for a new Central Area building proposed to be sited in the MFC Carpark (110 Jervois Quay).

The \$2,145.00 application deposit fee has been paid by internet banking to 06 0582 0106111 00 - reference "**RC - 110 Jervois Quay**".

As we have previously discussed and agreed for other Central Area projects, I would be grateful if you would share with us your DRAFT s95 notification decision report.

If you require any further information and/or clarification relating to the application, please do not hesitate to contact me and I will do my very best to respond.

In the meantime I can advise that a letter supporting the proposed development from the Wellington Tenth Trust is anticipated to be received in the next short while and will be forwarded to you upon receipt.

Yours sincerely
