Kia Ora, Richard

Following your last call with Alistair in respect of the revised design of the Michael Fowler Centre car park development.

Please find below a link to the updated plans for your review (32mb). If you have any technical issues, please let me know.

We note the connection between Cuba Street and the waterfront has not materially changed. Nor has the treatment and recognition of the Waimapihi Stream.

We are happy to answer any questions you may have.

Otherwise, we will be submitting our amended consent application shortly and would appreciate your confirmation that Hikoikoi Management's letter of support (attached) stands.

Ngā mihi,
Theresa
