

WELLINGTON CITY COUNCIL

SR462159 & SRI455891

NOTICES OF REQUIREMENT: WELLINGTON INTERNATIONAL AIRPORT

MAIN SITE AREA AND EAST SIDE AREA

MINUTE 5 OF INDEPENDENT HEARING PANEL

---

The purpose of this minute is to explain the process post the provision of the Commissioners' Recommendation Report to the Requiring Authority, Wellington International Airport Limited (WIAL) relating to the two above referenced Notices of Requirement (NoR).

In accordance with section 171 of the Resource Management Act 1991 (the Act) we have made recommendations to WIAL on these two NoRs and these are set out in our Recommendations Report dated 24 August 2021. That Report accompanies this minute.

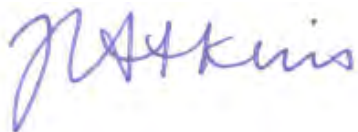

The process from here is that, under section 172 of the Act, WIAL has 30 working days from the date it received our Report (namely until 5 October 2021) to advise the Wellington City Council (the Council) whether it accepts or rejects our recommendations in whole or part for each NoR.

On receipt of WIAL's decisions on each recommendation, the Council must ensure that the WIAL decision is notified within 15 working days (namely no later than 27 October 2021) to all submitters on the NORs (section 173 of the Act).

Under section 174 of the Act, all submitters (and the Council) will have 15 working days from the date the decision is notified to appeal that decision to the Environment Court.

Further communications will be issued in due course by the Council Hearings Administrator.

DATED this 25<sup>th</sup> day of August 2021

H A Atkins  
Chair - Independent Hearings Panel

For and on behalf of:

Commissioner David McMahon  
Commissioner Ray O'Callaghan
