Number of studio and one-bedroom units

Number of two-bedroom units

Number of three-bedroom units

Number of four or more-bedroom units

Detailed design of waste storage area and access

Attach plans and any supporting documents to identify the following:

- Dimensions and location of waste storage area/or placement of individual bins
- Dimensions and location of collection area (if different from storage area)
- Lighting
- Ventilation
- Access/egress – for people and vehicles
- Security – cameras/access points/sightlines into internal storage area
- Screening
- Potential placement of bins
- Taps and drainage

Any additional information

Individual units

If individual property owners will be responsible for their own bins and organising their own collections, no further questions need to be answered. However, please allow approximately 1.4m² of allocated bin storage area per unit.

Communal waste storage areas

Will the waste storage area be managed by a Body Corporate?

☐ Yes ☐ No

If no, who will be managing the waste storage area?

To determine the size requirements of a communal waste storage area please refer to Waste requirements for business – Before you apply – Wellington City Council and use the **waste storage calculator**.

Either attach a copy of the **waste storage calculator** with all calculations completed or complete the following details so that we can advise you on the storage area required.

Proposed frequency of collection

Rubbish

☐ Fortnightly ☐ 1x Weekly ☐ 2x Weekly ☐ 3x Weekly ☐ 4x Weekly ☐ 5x Weekly

Recycling
