

# Mt Albert - Management Plan Suggestions

- 1 Identify your private residential neighbours whose properties abutt Mt. Albert. Mainly Hornsey Rd, Houghton Bay Rd, Auckland Tce. Maybe 30 houses.
- 2 Check your fences along these properties and repair where appropriate.
- 3 Renew planting programme along the shared fences where necessary.
- 4 Assist private property owners to clear sections of weeds not dealt with by Council in their regular maintenance schedule. ie parsnip palm / ragwort etc
- 5) Maintain walking tracks on Mt Albert. They need maintenance at least twice a year. Used to be 4 times!
