

To whom it may concern,

I would like to opt for the status quo at 55-85 Curtis Street.

The present Residential & Open Space zoning were emphasised to the purchaser when the Council sold the land.

There is now a covenant preventing supermarkets and this should remain. I do not think that the public would have been asked to comment on rules about supermarkets if there had been a report telling the Mayor and Councillors about the covenant, The item in today's Dominion Post is relevant to this.. See below.

The ecological and other values of the land would be ruined if commercial or industrial zoning was permitted.

Sincerely,

Sean Thompson,
3a Sydenham Street,
Northland.
