Submission

The specific provisions of proposed District Plan Change 83 that my submission relates to are as follows (give details below)

Comments

My submission is that ... (You should include whether you support or oppose the specific provisions or wish to have them amended. You should also state the reasons for your views)

Comments

I agree with granting re zoning of land for quarry. Wellington needs aggregate for building projects and if we don't get it from here then it has to be carted in adding to extra rates and road wear and tear. We have been given a natural resource so why not use it.

I seek the following decision from Council (please give precise details)

Comments

Consent be granted and done quickly so they can get on with it.
