

## **Private District Plan Change requests**

*Wellington City District Plan – Clause 5 of First Schedule, Resource Management Act 1991*

### **Proposed District Plan Change 67: Rezoning of 43 Spennor Street, Newlands**

Primeproperty Group Ltd has lodged a private plan change request to rezone 17.7 hectares at 43 Spennor Street from Rural to Residential (Outer). The site has a total area of 41 hectares which is being developed as a Rural/Residential subdivision under an approved resource consent. The proposed rezoning is to provide for additional housing under the relevant objectives, policies, and rules for the Outer Residential Area.

A new Appendix to the Residential Rules chapter is proposed to give additional guidance for the future residential use of the site.

### **Proposed District Plan Change 68: Ngauranga Forest rezoning**

Plan Change 68 is another private plan change request from Primeproperty Group Ltd. The proposal calls for the change of zoning of 1.2 hectares of land from Open Space B to Residential (Outer) to the east of Homebush Road, Khandallah (accessed to be gained via 98 Homebush Road). The change of zoning would enable subdivision and development of the site for residential activity to the extent provided for by the Outer Residential Activity Area provisions of the District Plan.
