NOTICE OF PERSON'S WISH TO BE PARTY TO PROCEEDINGS

To: The Registrar
Environment Court
Wellington

CentrePort Limited wishes to be a party to the following proceedings:

ENV-2025-WLG-15

CentrePort Limited made a submission about the subject matter of the proceedings.

CentrePort Limited is not a trade competitor for the purposes of section 308C or 308CA of the Resource Management Act 1991.

CentrePort Limited is interested in all of the issues raised on the appeal, other than:

The appeal points related to INF – National Grid (18-20)

The appeal points related to Renewable Electricity Generation (21-27);

The appeal points related to SCHED 6 – Notable Trees (47).

CentrePort Limited **opposes** the relief sought by Forest & Bird because:

CentrePort lodged a submission in support of the plan as notified. Port infrastructure is regionally significant and should be enabled in a sustainable manner by the district plan.

CentrePort is not aware of any specific issues or values associated with its port infrastructure (including in particular within the district council's jurisdiction) that are likely to be of concern to Forest and Bird, or that justify the interventions sought by the appeal.

CentrePort Limited agrees to participate in mediation or other alternative dispute resolution of the proceedings.

A handwritten signature in blue ink, appearing to be 'A. Beatson', is written on a light blue rectangular background.
