Minute 30:

Wrap-up Hearing – Plan Integration Request

Introduction

1. The purpose of this Minute is to respond to a request from Mr Collingbourne on behalf of the Onslow Residents Community Association to speak to the Wrap-up Hearing that commences on 19 September 2023.
2. Mr Collingbourne's request seeks to outline what the Association considers to be the solution for integrating the hearing streams, with particular reference to the residential and centres hearings (Hearing Streams 2 and 4).
3. Issues around plan integration is a key purpose of the Wrap-up Hearing and therefore the Association is granted leave to speak to the hearing, noting the timetable for the pre-hearing circulation of evidence, statements and presentations outlined in Minute 27.
4. The Hearing Panel emphasises that the Hearing is not an opportunity to revisit matters on which submissions and evidence have already been heard.
5. If you have any questions or concerns relating to this hearing, please contact our Hearings Co-ordinator at jaskirat.kaur@wcc.govt.nz.
