Minute 25:

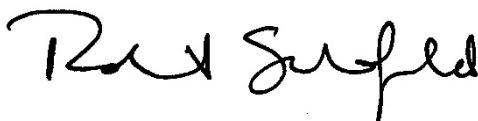

Amended Timetabling for Hearing Stream 5

Introduction

1. The purpose of this Minute is to outline a minor amendment to the timeframe for the circulation of reports, evidence and statements for Hearing Stream 5. It should be read together with the more general hearing directions in Minute 1.

Amended Timetabling for Hearing Stream 5 – District-wide Provisions

2. It has brought to our attention that the date for the circulation of submitter evidence on Hearing Stream 5, which should be ten working days following the circulation of the s42A reports on 3 July 2023, did not take into account the Matariki holiday on 14 July.
3. Accordingly, we direct the timetabling for Hearing Stream to be moved forward by one day as follows:
 - Submitter expert evidence must be sent to the Hearings Co-ordinator by 1pm on **18 July 2023** for circulation.
 - The Council's rebuttal evidence is to be circulated by **25 July 2023**.
 - Legal submissions and lay presentations/evidence longer than three A4 pages should be sent to the Hearings Co-ordinator by 1pm on **28 July 2023**.
4. Any applications to cross examine are still to be lodged by 1pm on 28 July 2023.
5. If you have any questions or concerns relating to these hearings, please contact our Hearings Co-ordinator at jaskirat.kaur@wcc.govt.nz.
