Massey University	253.39	Special Purpose Zones / Tertiary Education Zone / TEDZ-P7	Support in part	Considers that Massey University has no agreement with any natural hazard and emergency services providers to serve as a resilience anchor during a natural hazard event, nor is the scope of this role/requirement defined. Considers that Policy TEDZ-P7(2) has not been justified through Wellington City Council's Section 32 reporting for the Tertiary Education Zone in the Wellington City Proposed District Plan. Consequently, the inclusion of Policy TEDZ-P7(2) has not been justified and imposes a requirement on Massey University that have not been agreed to.	Retain Policy TEDZ-P7 (Resilience) with amendment.		
Massey University	253.40	Special Purpose Zones / Tertiary Education Zone / TEDZ-P7	Amend	Considers that Massey University has no agreement with any natural hazard and emergency services providers to serve as a resilience anchor during a natural hazard event, nor is the scope of this role/requirement defined. Considers that Policy TEDZ-P7(2) has not been justified through Wellington City Council's Section 32 reporting for the Tertiary Education Zone in the Wellington City Proposed District Plan. Consequently, the inclusion of Policy TEDZ-P7(2) has not been justified and imposes a requirement on Massey University that have not been agreed to.	Amend Policy TEDZ-P7 (Resilience) as follows: Encourage new development within Victoria University's Kelburn campus and Massey University's t Cook campus that is sustainable, resilient and adaptable to change in use over time, and 2. Supports the universities' role and function as resilience anchors during and after natural hazard events.	Reject	No
WCC Environmental Reference Group	377.512	Special Purpose Zones / Tertiary Education Zone / TEDZ-P7	Support	Support this policy due to its clear and concise expression of support for improving Wellington City's tertiary education facilities whilst emphasising some of the most important considerations of any new development within the CBD that being their long term sustainability, resilience and capacity as a multi use building. In addition the policy also addresses the important role these facilities play in improving the resilience of surrounding areas to climate change induced natural hazards, an issue of increasing relevance and importance.	Retain TEDZ-P7 (Resilience) as notified.

WCC Environmental Reference Group	377.514	Special Purpose Zones / Tertiary Education Zone / TEDZ-R5	Amend	Considers the second part of the rule in regards to controlled demolition activities does not effectively consider the potential significant local and wider environmental impacts of demolition activities within Wellington City. Suggest the addition of further consideration points that acknowledges these risks and the need for their minimisation.	Amend TEDZ-R5.2 (Demolition or removal of buildings and structures) ... Matters of control are: 1. The preparation and implementation of a demolition management plan; 2. Management of demolition effects on local amenity values; and 3. Recording of the building prior to demolition. 4. Establishment of a management plan for runoff of potential on site exotoxins and other environmental hazards.	Reject	No
Te Herenga Waka Victoria University of Wellington	106.14	Special Purpose Zones / Tertiary Education Zone / TEDZ-R6	Oppose	Opposes changing the activity status for additions and alterations to buildings and structures in the Tertiary Zone from Controlled to Discretionary Restricted. Considers that changing the activity status would significantly expand the matters for assessment which are already sufficiently broad and that the Controlled activity status provides sufficient discretion to the Council to ensure neighbours are not adversely affected without exposing the University to unnecessarily onerous consenting requirements. There is a risk that this will cause unnecessary delay and cost, impacting the University's ability to grow.	Amend TEDZ-R6.2 (Additions and alterations to buildings and structures) as follows: 2. Massey University	253.52	Special Purpose Zones / Tertiary Education Zone / TEDZ-R7	Amend	Considers most Massey buildings are already visible from public spaces and a 100m2 footprint is too small to construct any form of structure required for the operation of a tertiary education facility.	<p>Amend Rule TEDZ-R7.1 (Construction of new buildings and structures) as follows:</p> <p>Construction of new buildings and structures</p> <p>1. Activity status: Permitted</p> <p>Where:</p> <p>a. The new building or structure: is not visible from a public space; and it will have a gross floor area of less than or equal to 1000 m2 ; and</p> <p>b. Compliance with TEDZ-S1, TEDZ S2, TEDZ-S3 and TEDZ-S4 is achieved.</p>	Reject	No
Massey University	253.53	Special Purpose Zones / Tertiary Education Zone / TEDZ-R7	Amend	Considers that any potential adverse effects relating to visibility from a public space and large building sizes can be sufficiently covered by Rule TEDZ-R7(2).	<p>Amend Rule TEDZ-R7.1 (Construction of new buildings and structures) as follows:</p> <p>Construction of new buildings and structures</p> <p>1. Massey University	253.54	Special Purpose Zones / Tertiary Education Zone / TEDZ-R7	Amend	Considers that that further clarification is needed to Rule TEDZ-R7(2)(4) as a matter of discretion so as to make it clear that these views from roads and/or open space is limited to directly adjoining public areas. This is because the Massey University Site is visible from a wide range of vantages around Wellington, which would result in this matter of discretion being relatively wide reaching. Further, this could result in unintended consequences.	Amend Rule TEDZ-R7.2 (Construction of new buildings and structures) to read as follows: Construction of new buildings and structures 2. Activity status: Restricted Discretionary Where: a. Compliance with any of the requirements of TEDZ-R7.1 cannot be achieved: Matters of discretion are: 1. Any relevant matters in TEDZ-P3, TEDZ P4, TEDZ-P5, TEDZ-P6, TEDZ-P7 and TEDZ-P8; 2. The extent and effect of non-compliance with any relevant standard as specified in the associated assessment criteria for the infringed standards; 3. The Centres and Mixed-Use Design Guide; and 4. The extent to which any service elements (e.g. roof plant, exhaust and intake units, and roof equipment) that could be viewed from the <u>directly adjoining</u> road or open space zone can be screened or integrated as part of the façade or roof of the building.	Accept in part	Yes
Te Herenga Waka Victoria University of Wellington	106.22	Special Purpose Zones / Tertiary Education Zone / TEDZ-R8	Support in part	The term 'cannot be achieved' implies the standard must be complied with unless it is impossible to do so. Instead, the wording should reflect the intent of the provision, which is to introduce a more onerous activity status when permitted activity standards are not met. Amending the language to 'is not achieved' reflects language used in district plans elsewhere in the country and provides greater consenting flexibility for when permitted activity standards are not met.	Amend TEDZ-R8 (Outdoor storage areas) as follows: [...] Where: a. Compliance with any of the requirements of the requirements of [...] cannot be <u>is not</u> achieved.	Reject	No

Te Herenga Waka Victoria University of Wellington	106.23	Special Purpose Zones / Tertiary Education Zone / TEDZ-S1	Support in part	Considers that Height Control Area 4 (area shaded blue on PDP figure on original submission) should be extended to include the McLean Flats site at 320A The Terrace. The site is now owned by the University and will be utilised for university purposes.	Seeks extend Height Control Area 4 to include the McLean Flats site. [Refer to original submission for map]	Accept	Yes
Te Herenga Waka Victoria University of Wellington	106.24	Special Purpose Zones / Tertiary Education Zone / TEDZ-S1	Support in part	Considers that Height Control Area 4 should be amended to accommodate the proposed Te Huanui building which is anticipated to be between 8 to 12 metres above the maximum in Height Control Area 4. The Te Huanui project is expected to increase the level of amenity to the southern end of The Terrace and should be accommodated within the Height Control Areas of the Tertiary Education zone to reduce future consenting complexity.	Seeks amendment to apply TEDZ-S1 (Maximum height of buildings and structures) Height Control Area 2 to those parts of the site that are 20 metres or more away from a residential zone.	Accept in part	Yes

Te Herenga Waka Victoria University of Wellington	106.25	Special Purpose Zones / Tertiary Education Zone / TEDZ-S2	Support in part	The University supports the changes made to the PDP where the Council has identified zone boundaries around the Tertiary Education zone and the corresponding recession planes. However, the University seeks to remove '320 The Terrace' as a specific location from the height standards. The site at 320 The Terrace is included within the Tertiary Education zone not the High Density Residential zone and therefore no specific boundary control should apply.	Amend TEDZ-S2 (Height in relation to boundary) as follows: Location [...] Boundary adjoining any site within the HRZ, including 320 The Terrace	Reject	No

Te Herenga Waka Victoria University of Wellington	106.26	Special Purpose Zones / Tertiary Education Zone / TEDZ-S3	Oppose in part	The University opposes the proposed building setbacks because it seeks that 320 The Terrace is included in the Tertiary Education zone and considers that a 5 metre setback distance is appropriate for any boundary with any residential zone	Amend TEDZ-S3 (Building setbacks) as follows: 1. [...] 2. in relation to 320 The Terrace a 5m setback shall apply to the boundaries with the High Density Residentially zoned areas, except for: 3. the boundary adjoining 302 The Terrace where a 1m setback shall apply; and 4. the boundary of 324 The Terrace where a 10m yard shall apply. Te Herenga Waka Victoria University of Wellington	106.7	Interpretation Subpart / Definitions / TERTIARY EDUCATION FACILITY	Support in part	Considers that the definition should include 'education and research partners' to provide for activities such as the existing Malaghan Institute of Medical Research, as well as ensuring research partners who seek to collocate with the University on the Kelburn campus are provided for in the future. This is consistent with the wider definition/catch all 'educational services' under the Wellington Operative District Plan, which includes: ... research activities of the institution and encompassing all such activities consistent with the function of a modern university. The definition should also include 'ancillary food, beverage and retail' to cover activities such as the existing University bookshop, food and beverage shops (e.g. campus cafes like Wishbone and Subway), as well as ensuring that such activities are provided for in the future. This is consistent with the wider definition/catch all 'educational services' under the Wellington Operative District Plan, which includes: ...business and social services related to the education and research activities of the institution and encompassing all such activities consistent with the function of a modern university.	Amend the definition of 'Tertiary Education Facility' as follows: Tertiary Education Facility means land or buildings used for tertiary education and research activities. Includes: [...] <u>i. education and research partners;</u> ii. any ancillary activity necessary for the effective operation of the University sites which includes; [...] <u>xiii. food and beverage; and</u> <u>xiv. retail.</u>	Accept	Yes

Te Herenga Waka Victoria University of Wellington	106.2	Whole PDP / Whole PDP	Amend	Considers that the term 'cannot be achieved' implies the standard must be complied with unless it is impossible to do so and should be changed to 'is not achieved' throughout the entirety of the Proposed District Plan. Amending the language to 'is not achieved' reflects language used in district plans elsewhere in the country and provides greater consenting flexibility for when permitted activity standards are not met.	Seeks that all instances of 'cannot be achieved' in the Proposed District Plan are changed to 'is not achieved'.	Reject	No
Te Herenga Waka Victoria University of Wellington	106.3	Mapping / Mapping General / Mapping General	Amend	Considers that the Tertiary Education zone should be extended to include the McLean Flats site at 320A The Terrace (outlined in black in Figure 2 on original submission) and the substation site adjoining the Gordon Wilson Flats site on the northern side (outlined in blue in Figure 2 on original submission). Both sites will be utilised for university purposes in accordance with the CDP.	Amend the extent of the Tertiary Zone on the maps to include 320A The Terrace (McLean Flats).	Accept	Yes
Te Herenga Waka Victoria University of Wellington	106.4	Mapping / Mapping General / Mapping General	Amend	Considers that the Tertiary Education zone should be extended to include the McLean Flats site at 320A The Terrace (outlined in black in Figure 2 on original submission) and the substation site adjoining the Gordon Wilson Flats site on the northern side (outlined in blue in Figure 2 on original submission). Massey University	253.1	Mapping / Mapping General / Mapping General	Amend	Considers the zone boundary for the Tertiary Education Zone does not fully capture all of Massey Universities interests and buildings within the Massey University campus area. It is proposed that the zone boundary be amended to fully contain all of the Massey University campus.	Amend the district plan zoning map so that the boundary for the Tertiary Education Zone at the Massey University Campus accurately captures all of the campus.
