| Sub-part / Chapter /Provision | Submitter Name | Sub No / Point No | Position | Summary of Submission | Decisions Requested |
|--|--|----------------------|--------------------|---|--|
| Industrial Zones / General point on Industrial Zones / General point on Industrial Zones | Victoria University of Wellington Students' Association | 123.60 | Support | Considers that industrial areas should continue to be provided for as this results in areas that comply with health and safety standards. [Refer to original submission for full reasons]. | Seeks that industrial areas continue to be provided for. |
| Industrial Zones / General point on Industrial Zones / General point on Industrial Zones | Greater Wellington Regional Council | 351.280 | Support in part | Considers the approach taken in this zone aligns with Policy 32 of Proposed RPS Change 1. | Retain provision, subject to amendments, as outlined other submission points. |
| Industrial Zones / General point on Industrial Zones / General point on Industrial Zones | Greater Wellington Regional Council | 351.281 | Amend | Considers the provisions of the industrial zone to contribute to the qualities and characteristics of well-functioning urban environments as articulated in Objective 22 of Proposed RPS Change 1. | Seeks to ensure the General Industrial Zone provisions have regard to the qualities and characteristics of well-functioning urban environments as articulated in Objective 22 of Proposed RPS Change 1, by including necessary objectives, policies, permitted standards and rules that provide for these qualities and characteristics. |
| Industrial Zones / General Industrial Zone / General GIZ | Wellington City Youth Council | 201.38 | Support | Supports the idea of providing business activities spaces for industrial areas of city centre. | Supports retention of the General Industrial Zone as notified |
| | Ara Poutama Aotearoa the Department of Corrections | 240.62 | Oppose | Considers that the zone frameworks (Commercial and General Industrial) do not enable community corrections activities, and provides discretionary activity status for these activities in the zones, in accordance with the respective default "all other activities" rules (COMZ-R4 and GIZER6). Community corrections activities are essential social infrastructure and play a valuable role in reducing reoffending. They enable people and communities to provide for their social and cultural well-being and for their health and safety. It is important that provision is made to enable noncustodial community corrections sites to establish, operate and redevelop, within appropriate areas, as the demand for these services is likely to increase as a result of urban intensification. Industrial and commercial areas provide suitable sites for community corrections activities; in particular community work components often require large sites for yard- based activities and large equipment and/or vehicle storage. Community corrections activities are a compatible and appropriate activity in commercial and industrial zones. They are consistent with the character and amenity of such zones. Furthermore, as community corrections facilities are not sensitive to the effects of commercial and industrial environments (e.g. noise, high traffic movements, etc), they are not prone to reverse sensitivity. | amendment. |

|--|---------------------------------|----------------------|--------------------|---|---|
| Industrial Zones / General Industrial Zone / General GIZ | Shelly Bay Road Limited | 324.2 | Oppose | The General Industrial zoning of 3 shelly Bay is opposed. A Mixed Use zoning is considered to be more appropriate. The site known as Burnham Wharf is currently zoned as Business 2 Zone and subject to specific operational port rules. The site is currently being used as a car storage and bus parking area. The proposed district plan is to rezone this as a general industrial zone. The properties on the opposite side of the road are to be zoned either residential or mixed use. The General Industrial Zone does not allow for residential activities. The owners of the property request that the zone is changed from General Industrial Zone to Mixed Use to allow for the potential of future residential activities to occur. This would be in keeping with the surrounding wharf areas, such as Shelly Bay and allow for residential development in a desirable area close to Miramar. As this land is not held by the port authorities, it is not being used for port (or heavy industrial) activities. It will likely never be used as a functioning wharf again as the infrastructure and related buildings are removed from site. Thus, keeping this zoned for shipping or industrial activities will mean that the owners who wish to alleviate the residential housing market strain will need to put in a considerable amount of effort at the consenting stage. As such the most appropriate zone for this land is mixed use as it is a better management of resources. Any reverse sensitivity effects (such as noise and light) can be controlled with standards as is currently achieved in the central and centres area. | Rezone 3 Shelly Bay from General Industrial Zone to Mixed Use Zone. |
| Industrial Zones / General Industrial Zone / General GIZ | Waka Kotahi | 370.406 | Support | Supports the provisions in this zone. | Retain the General Industrial Zone chapter as notified. |
| Industrial Zones / General Industrial Zone / General GIZ | Envirowaste Services Ltd | 373.31 | Support in part | The GIZ chapter is supported, as waste facilities must be protected from reverse sensitivity to ensure their ongoing operation. In the future the Wellington region may also need to consider composting operations for the treatment of the food waste produced. A composting facility is often difficult to establish and is best established with a buffer area in order to avoid reverse sensitivity effects. | Retain the General Industrial Zone chapter, with amendments. |
| Industrial Zones / General Industrial Zone / General GIZ | Oyster Management Limited | 404.83 | Oppose in part | Opposes the Proposed Plan in part. | Seeks that the General Industrial Zone provides for gyms. |
| Industrial Zones / General Industrial Zone / General GIZ-PREC01 | CentrePort Limited | 402.145 | Amend | located in the Coastal Marine Area and Burnham Wharf is used for Operational Port | Seeks that recognition of Miramar and Burnham Wharves location in the Coastal Marine Area and Burnham Wharf's use for Operational Port Activities is cross referenced in the introduction of the General Industrial Zone. |

| Sub-part / Chapter /Provision | Submitter Name | Sub No / Point No | Position | Summary of Submission | Decisions Requested |
|---|---|----------------------|----------|--|---|
| Industrial Zones / General Industrial Zone / New GIZ | Ara Poutama Aotearoa the Department of Corrections | 240.63 | Amend | Considers that the zone frameworks (Commercial and General Industrial) do not enable community corrections activities, and provides discretionary activity status for these activities in the zones, in accordance with the respective default "all other activities" rules (COMZ-R4 and GIZIBR6). Community corrections activities are essential social infrastructure and play a valuable role in reducing reoffending. They enable people and communities to provide for their social and cultural well-being and for their health and safety. It is important that provision is made to enable noncustodial community corrections sites to establish, operate and redevelop, within appropriate areas, as the demand for these services is likely to increase as a result of urban intensification. Industrial and commercial areas provide suitable sites for community corrections activities and large equipment and/or vehicle storage. Community corrections activities are a compatible and appropriate activity in commercial and industrial zones. They are consistent with the character and amenity of such zones. Furthermore, as community corrections facilities are not sensitive to the effects of commercial and industrial environments (e.g. noise, high traffic movements, etc), they are not prone to reverse sensitivity. | Amend land use activity rule framework for the General Industrial Zone to include a permitted rule applying to "community corrections activities" as follows: <u>GIZ-RX Community Corrections Activities</u> <u>1. Activity status: Permitted</u> |
| Industrial Zones / General Industrial Zone / New GIZ | Ministry of Education | 400.146 | Amend | Seeks that educational facilities are provided for in the GIZ as educational facilities are considered essential social infrastructure that may need to be located in within industrial areas, particularly training facilities. Notwithstanding this, the Ministry acknowledges the potential effects and reverse sensitivity issues to be considered. The Ministry therefore request an activity status of Discretionary for educational facilities in this zone [see original submission for full reasons]. | Add new rule to GIZ chapter (General Industrial Zone) as follows: <u>GIZ-RX Educational Facilities</u> <u>1. Activity status: Discretionary</u> <u>Where</u> <u>GIZ-S1 – GIZ-S6 are complied with.</u> <u>Discretion is restricted to:</u> <u>a. The scale, intensity and/or character of the buildings and associated activity.</u> <u>b. Noise levels</u> <u>c. The placement of buildings on the site.</u> <u>d. The provision of suitable and safe access.</u> <u>e. The extent of impervious surfaces and landscaping.</u> <u>f. The effects of matters of reverse sensitivity.</u> <u>2. Activity status where compliance not achieved: Non-Complying</u> |
| Industrial Zones / General Industrial Zone / New GIZ | Oyster Management Limited | 404.84 | Amend | Seeks that a new rule be added to enable "indoor exercise facilities" to be established as a Permitted activity in the General Industrial Zone. Submitter considers that the Industrial Zone is suitable for Indoor Exercise Facilities (such as gyms) because it includes large scale buildings that can accommodate such facilities and Indoor Exercise Facilities are not sensitive to the effects from industrial activities. | Add new rule as follows: GRZ-RX: Indoor exercise facilities 1. Activity status: Permitted. |

|---|--------------------------------------|----------------------|--------------------|---|---|
| Industrial Zones / General Industrial Zone / New GIZ | KiwiRail Holdings Limited | 408.130 | Amend | Considers that building setbacks are essential to address significant safety hazards associated with the operational rail corridor. Parts of the KiwiRail network adjoin industrial zones which do not currently include provision for boundary setbacks for buildings and structures. KiwiRail seek a boundary setback of 5m from the rail corridor for all buildings and structures, and that the rail corridor be recognised as a qualifying matter in relevant non-residential zones in accordance with section 77(1)(o) of the RMA. Consistent with the amendment requested for the assessment criteria in the residential zones, KiwiRail considers that a matter of discretion directing consideration of impacts on the safety and efficiency of the rail corridor is appropriate in situations where the 5m setback standard is not complied with in all zones adjacent to the railway corridor. | Add new standard as follows: <u>GIZ-SX:</u> <u>Boundary setbacks</u> <u>Buildings or structures must not be located within a 5m setback from a rail corridor boundary.</u> AND seeks that as applicable, the following matter of discretion be inserted: <u>Matters of discretion:</u> (X) The location and design of the building as it relates to the ability to safely use, access and maintain buildings without requiring access on, above or over the rail corridor. |
| Industrial Zones / General Industrial Zone / GIZ-O1 | Restaurant Brands Limited | 349.204 | Support | Support | Retain GIZ-O1 (Purpose) as notified. |
| Industrial Zones / General Industrial Zone / GIZ-O1 | Envirowaste Services Ltd | 373.32 | Support in part | [No specific reason given beyond decision requested - refer to original submission] | Retain Objective GIZ-O1 (Purpose) with amendment. |
| Industrial Zones / General Industrial Zone / GIZ-O1 | Envirowaste Services Ltd | 373.33 | Amend | Considers that the proposed objective is not specific enough to deter sensitive activities from occurring. Further amendments are required to ensure reverse sensitivities effects are avoided. | Amend Objective GIZ-O1 (Purpose) to be more specific and to ensure reverse sensitivities effects are avoided. |
| Industrial Zones / General Industrial Zone / GIZ-O2 | Restaurant Brands Limited | 349.205 | Support | Support | Retain GIZ-O2 (Sensitive activities) as notified. |
| Industrial Zones / General Industrial Zone / GIZ-O3 | McDonald's | 274.71 | Support | Supports the provision for service retail. | Retain GIZ-O3 (Commercial activities) as notified. |
| Industrial Zones / General Industrial Zone / GIZ-O3 | Restaurant Brands Limited | 349.206 | Support | Support | Retain GIZ-O3 (Commercial activities) as notified. |
| Industrial Zones / General Industrial Zone / GIZ-O3 | Woolworths New Zealand | 359.91 | Amend | GIZ-O3 should be amended to accommodate supermarkets within the zone and reflect the proposed discretionary activity status under Rule GIZ-R4. The proposed amendments enable consideration of reverse sensitivity and operational and functional needs while also retaining recognition of the centres hierarchy. | Amend GIZ-O3 (Commercial activities) as follows: Commercial activities are not established in the General Industrial Zone unless they: 1.Are ancillary to industrial activities; or 2. Are of a nature and scale that does not undermine the hierarchy of Centres. <u>:or</u> 3. Demonstrate an operational or functional need to locate in the zone; or 4. Demonstrate that no adverse reverse sensitivity effects on permitted industrial activities in the surrounding zone arise. |
| Industrial Zones / General Industrial Zone / GIZ-O4 | Fire and Emergency New Zealand | 273.326 | Support | Supports the objective as it recognises the importance of the functional and/or operational needs of development. Due to urban growth, population changes and commitments to response times, FENZ may have a functional and/or operational need to locate stations within the General Industrial Zone in the future. | Retain GIZ-O4 (Amenity and design) as notified. |
| Industrial Zones / General Industrial Zone / GIZ-O4 | Restaurant Brands Limited | | Support | Support | Retain GIZ-O4 (Amenity and design) as notified. |

|--|--------------------------------------|----------------------|--------------------|---|---|
| Industrial Zones / General Industrial Zone / GIZ-P4 | McDonald's | 274.72 | Support | Supports the provision for service retail. | Retain GIZ-P4 (Commercial activities) as notified. |
| Industrial Zones / General Industrial Zone / GIZ-P4 | Restaurant Brands Limited | 349.212 | Amend | Support with amendment | Amend GIZ-P4 (Commercial activities) as follows: |
| | | | | When compared to other commercial activities that are provided for as a permitted activity within the General Industrial Zone (including trade supply retail, building improvement centre, service retail, or yard-based retail), no clear justification or rationale has been provided as to why drive-through restaurant activities cannot be provided for as a permitted activity. Consistent with the purpose of the General Industrial Zone, drive-through restaurants are compatible with the adverse effects generated from industrial activities and are of a scale and nature that do not undermine the hierarchy of Centres. It is therefore appropriate to provide for drive-through facilities as a permitted activity and to amend the policies of the General Industrial Zone accordingly. | GIZ-P4 Commercial activities Avoid commercial activities in the General Industrial Zone except for: 1. Office, retail and other commercial activities which are ancillary to industrial activities; and 2. Trade supply retail, wholesalers, building improvement centres, service retail, <u>drive-through</u> <u>restaurant</u> , and yard based retail. |
| Industrial Zones / General Industrial Zone / GIZ-P4 | Woolworths New Zealand | 359.92 | Amend | Considers that GIZ-P4 should be amended to accommodate supermarkets within the zone and reflect the proposed discretionary activity status under Rule GIZ-R4. The proposed amendments enable consideration of operational and functional needs while also retain recognition of the centres hierarchy. | Amend GIZ-P4 (Commercial activities) as follows: Avoid commercial activities in the General Industrial Zone <u>that do not demonstrate an operational</u> or functional need to locate within the zone and that result in unacceptable adverse effects that undermine the vibrancy of Centres, recognising that some commercial activities can be comfortably accommodated within the zone, including except for: 1. Office, retail and other commercial activities which are ancillary to industrial activities; and 2. Trade supply retail, wholesalers, building improvement centres, service retail and yard based retail. |
| Industrial Zones / General Industrial Zone / GIZ-P4 | Foodstuffs North Island | 476.59 | Support in part | Considers that GIZ-O3.2. (Commerical activities) acknowledges the ability of certain commercial activities that are of a nature and scale that do not undermine the hierarchy of Centres however Policy GIZ-P4 lists only certain commercial activities. | Retain GIZ-O3.2. (Commercial activities) as notified. |
| Industrial Zones / General Industrial Zone / GIZ-P4 | Foodstuffs North Island | 476.60 | Amend | Considers that GIZ-O3.2. (Commerical activities) acknowledges the ability of certain commercial activities that are of a nature and scale that do not undermine the hierarchy of Centres however Policy GIZ-P4 lists only certain commercial activities. | Amend GIZ-P4 (Commercial activities) as follows: Avoid commercial activities in the General Industrial Zone except for: 1. Office, retail and other commercial activities which are ancillary to industrial activities; and or 2. Trade supply retail, wholesalers, building improvement centres, service retail and yard based retail; <u>or</u> <u>3. Are of a nature and scale that does not undermine the heirarchy of Centres.</u> |

| Industrial Zones / General Industrial Zone / GIZ-S2 | Oyster Management Limited | 404.88 | Support in part | Supports having a separate standard for additional height as a restricted discretionary activity. | Retain GIZ-S2 (Maximum height of buildings and structures for the purpose of GIZ-R10.2 and GIZ- PREC01-R1.2) with amendments. |
| Industrial Zones / General Industrial Zone / GIZ-S2 | Oyster Management Limited | 404.89 | Oppose in part | Considers the provision of a height standard as a restricted discretionary activity is useful. Submitter considers that it is appropriate to increase the Permitted height to 20m, seeks that the RD height limit be increased to 24m [Submitter also requests amendments to height limits through GIZ-S1]. | Amend GIZ-S2 (Maximum height of buildings and structures for the purpose of GIZ-R10.2 and GIZ- PREC01-R1.2) as follows: Height Control Area 4 Newlands: 22.5 <u>24</u> metres |
| Industrial Zones / General Industrial Zone / GIZ-S2 | Oyster Management Limited | 404.90 | Amend | Considers the provision of a height standard as a restricted discretionary activity is useful. Submitter considers that it is appropriate to increase the Permitted height to 20m, seeks that the RD height limit be increased to 24m [Submitter also requests amendments to height limits through GIZ-S1]. | Amend GIZ-S2 (Maximum height of buildings and structures for the purpose of GIZ-R10.2 and GIZ- PREC01-R1.2) as follows: Height Control Area 4 Newlands: 22.5 24 metres |
| Zone / GIZ-S3 | Fire and Emergency New Zealand | 273.335 | Support in part | Seeks an exemption for hose drying towers associated with emergency service facilities in order to appropriately provide for the operational requirements of FENZ. Whilst referred to as 'hose drying towers', they serve several purposes being for hose drying, communications and training purposes on station. Hose drying towers being required at stations is dependent on locational and operational requirements of each station. These structures can be around 12 to 15 metres in height. | Supports GIZ-S3 (Height in relation to boundary), with amendment. |
| Zone / GIZ-S3 | Fire and Emergency New Zealand | 273.336 | Amend | Seeks an exemption for hose drying towers associated with emergency service facilities in order to appropriately provide for the operational requirements of FENZ. Whilst referred to as 'hose drying towers', they serve several purposes being for hose drying, communications and training purposes on station. Hose drying towers being required at stations is dependent on locational and operational requirements of each station. These structures can be around 12 to 15 metres in height. | This standard does not apply to: |
