

## General Point on Schedules

Sub-part / Chapter / Provision	Submitter Name	Sub No / Point No	Position	Summary of Submission	Decisions requested
Schedules Subpart / Schedules / New schedule	Director-General of Conservation	385.87	Amend	Oppose Council decision on 23 June 2022 at the Planning and Environment Committee on significant natural areas applying to residential land.	Seeks that all 169 groups of residential parcels identified within the SNA overlays within a new schedule named 'Urban Environment Allotments' [Inferred decision requested]
