Sub-part / Chapter /Provision	Submitter Name	Sub No / Point No	Position	Summary of Submission	Decisions Requested
Special Purpose Zones / Tertiary Education Zone / TEDZ-R3	WCC Environmental Reference Group	377.513	Amend	Considers the rule provides an outline for requirements for activities outside of other established outlines however as it currently stands it fails to include the important long term sustainability and resilience considerations outlined within policies, 6 and 7. As such we suggest including these within the listed policies outlined within the matters of discretion.	Amend TEDZ-R3 (all other activities) as follows: Matters of discretion are: 1. Any relevant matters in TEDZ-P1, TEDZ-P2, TEDZ-P3, TEDZ-P4, TEDZ-P6, TEDZ-P7 and TEDZ-P8; 2. The provision of an Event Management Plan, including details of traffic and noise generation from the proposed activity and how any effects of these will be managed; and
Special Purpose Zones / Tertiary Education Zone / TEDZ-R4	Massey University	253.45	Support	[No specific reason given beyond decision requested - refer to original submission]	Retain TEDZ-R4 (Maintenance and repair of buildings and structures) as notified.
Special Purpose Zones / Tertiary Education Zone / TEDZ-R5	Te Herenga Waka Victoria University of Wellington	106.13	Not specified	The term 'cannot be achieved' implies the standard must be complied with unless it is impossible to do so. Instead, the wording should reflect the intent of the provision, which is to introduce a more onerous activity status when permitted activity standards are not met. Amending the language to 'is not achieved' reflects language used in district plans elsewhere in the country and provides greater consenting flexibility for when permitted activity standards are not met.	Amend TEDZ-R5 (Demolition or removal of buildings and structures) as follows: [] a. compliance with any requirements in TEDZ-R5.1.a cannot be achieved is not achieved.
Special Purpose Zones / Tertiary Education Zone / TEDZ-R5	Oliver Sangster	112.13	Amend	Considers that amendment to TEDZ-R5 is needed consistent with submission points to permit demolition of the Gordon Wilson Flats.	Amend TEDZ-R5 (Demolition or removal of buildings and structures) as follows: Activity status: Permitted Where: The demolition or removal is not of Gordon Wilson Flats at 320 the Terrace".
Special Purpose Zones / Tertiary Education Zone / TEDZ-R5	Massey University	253.46	Support	[No specific reason given beyond decision requested - refer to original submission]	Retain TEDZ-R5.1 (Demolition or removal of buildings and structures) as notified.
Special Purpose Zones / Tertiary Education Zone / TEDZ-R5	Massey University	253.47	Support	[No specific reason given beyond decision requested - refer to original submission]	Retain TEDZ-R5.2 (Demolition or removal of buildings and structures) as notified.
Special Purpose Zones / Tertiary Education Zone / TEDZ-R5	Greater Wellington Regional Council	351.309	Support in part	Supports the permitted activity status for the demolition of buildings provided that building waste is properly disposed of. This gives effect to Policy 34 of the operative RPS.	Retain TEDZ-R5 (Demolition or removal of buildings and structures) with amendment.
Special Purpose Zones / Tertiary Education Zone / TEDZ-R5	Greater Wellington Regional Council	351.310	Amend	Supports the permitted activity status for the demolition of buildings provided that building waste is properly disposed of. This gives effect to Policy 34 of the operative RPS.	Amend TEDZ-RS (Demolition or removal of buildings and structures) to include a rule requirement that permitted activity status is subject to building and demolition waste being disposed of at an approved facility.
Special Purpose Zones / Tertiary Education Zone / TEDZ-R5	WCC Environmental Reference Group	377.514	Amend	Considers the second part of the rule in regards to controlled demolition activities does not effectively consider the potential significant local and wider environmental impacts of demolition activities within Wellington City. Suggest the addition of further consideration points that acknowledges these risks and the need for their minimisation.	Amend TEDZ-R5.2 (Demolition or removal of buildings and structures) Matters of control are: 1. The preparation and implementation of a demolition management plan; 2. Management of demolition effects on local amenity values; and 3. Recording of the building prior to demolition. 4. Establishment of a management plan for runoff of potential on site exotoxins and other environmental hazards.

Sub-part / Chapter / Provision	Submitter Name	Sub No / Point No	Position	Summary of Submission	Decisions Requested
Special Purpose Zones / Tertiary Education Zone / TEDZ-R6	Massey University	253.49	Amend	Considers that the majority of Massey buildings are already visible from public spaces and if this standard were to remain as worded, all works on the Massey University Campus would be unable to comply. Furthermore, Massey considers Rule TEDZ®R6(1)(ii) can be sufficiently covered by Rule TEDZ-R6(2).	Amend Rule TEDZ-R6.1 (Additions and alterations to buildings and structures) as follows: Additions and alterations to buildings and structures 1. Activity status: Permitted Where: a. The proposed additions or alterations: i. Do not alter the external appearance of the building or structure; or iii. Are not visible from public spaces; and iiii ii., Compliance with TEDZ-S1, TEDZ-S2, TEDZ-S3 and TEDZ-S4 is achieved.
Special Purpose Zones / Tertiary Education Zone / TEDZ-R6	Massey University		Support in part	[No specific reason given beyond decision requested - refer to original submission]	Retain TEDZ-R6.2 (Additions and alterations to buildings and structures) as notified.
Special Purpose Zones / Tertiary Education Zone / TEDZ-R7	Te Herenga Waka Victoria University of Wellington	106.18	Oppose	Opposes changing the activity status for the construction of new buildings and structures in the Tertiary Zone from Controlled to Discretionary Restricted. Considers that changing the activity status would significantly expand the matters for assessment which are already sufficiently broad and that the Controlled activity status provides sufficient discretion to the Council to ensure neighbours are not adversely affected without exposing the University to unnecessarily onerous consenting requirements. There is a risk that this will cause unnecessary delay and cost, impacting the University's ability to grow.	Amend TEDZ-R7.2 (Construction of new buildings and structures) as follows: 2. Activity status: Restricted Discretionary Controlled
Special Purpose Zones / Tertiary Education Zone / TEDZ-R7	Te Herenga Waka Victoria University of Wellington		Oppose in part	Considers that the definition of 'public spaces' in the PDP is broad and includes anywhere within the University that is accessible by a pedestrian. 'Public spaces' should be replaced with 'legal road or are located 10m away from a legal road boundary.' This would strike a reasonable balance between retaining Council oversight of additions and alterations that could affect the streetscape but will not impact activities well within the respective campuses.	Amend TEDZ-R7.1 (Construction of new buildings and structures) as follows: Additions and alterations to Buildings and Structures 1. Activity status: Permitted Where: a. The proposed additions or alterations: i. Do not alter the appearance of the building or structure; or ii. Are not visible from public spaces a legal road or are located 10m away from a legal road boundary; and iii. Compliance with TEDZ-S1, TEDZ-S2, TEDZ-S3; and TEDZ-S4 is achieved.
Special Purpose Zones / Tertiary Education Zone / TEDZ-R7	Te Herenga Waka Victoria University of Wellington		Support in part	Considers that in the event that the activity status for TEDZ-7.2 remains restricted discretionary (i.e. is not changed to controlled); the University seeks that limited notification be precluded where the proposal otherwise complies with the relevant requirements under TEDZ-S1, TEDZ-S2, TEDZ-S3 and TEDZ-S4. The University considers it is appropriate to engage with the Council on matters of design (as is currently the situation under the Wellington Operative District Plan) but does not consider that development in the TEDZ that otherwise meets development standards warrants wider public involvement.	Amend notification clauses under TEDZ-R7.2 (Construction of new buildings and structures) as follows: Notification status: An application for resource consent made in respect of rule TEDZ-R7.2 is precluded from being publicly notified, and will be precluded from being limited notified where compliance with TEDZ-S1, TEDZ-S2, TEDZ-S3; and TEDZ-S4 is achieved.
